Material Safety Data Sheet (MSDS)

Samples Name: PVC FLOORING

Model No.: customized

Client Name: XIONGXIAN LAIKEMAN PLASTIC FLOORING CO.,LTD.

Client Address: NO.546 XIONGZHOU ROAD, XIONGAN NEW AREA, HEBEI, CHINA.

Signed for and on Behalf of TDT

Li.zhang / Technical Manager

Shenzhen TDT Technology Co., Ltd.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Material Safety Data Sheet

Section 1 - Chemical Product and Company Identification

Product Name: PVC FLOORING

Manufacture: XIONGXIAN LAIKEMAN PLASTIC FLOORING CO.,LTD.

Tel: +86 15030235565

E-mail: lyh.hetty@gmail.com

Contact person: Hetty Li

Country of Origin: China

Export to: \

Sample Nature: Solid.

Chemical uses: Paving.

Section 2 - Hazards Identification

Fatalness grade: In accordance with Regulation (EC)No.1272/2008, the sample is not divided into flammable article.

Invasion route: Skin contact: No irritation.

Eye contact: May cause eye irritation.

Inhalation: Not Applicable.

Ingestion: May cause body discomfort.

Health hazards: No known significant effects or critical hazards.

Environment hazards: No known significant effects or critical hazards.

Burn & burst danger: The sample is stable under normal condition.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Section 3 –Composition/Information on Ingredient

Pure Admixture

Composition:

Chemical Name	In % By Weight	CAS No.
PVC resin	60	9002-86-2
Plasticizer	14	\
Viscosity reducer	6	\
Calcium carbonate	20	471-34-1

Note: CAS No.: Chemical Abstract Service Registry Number.

Section 4 - First Aid Measures

Skin contact: Take off contaminated clothes and wash with soap and plenty of water.

Eyes contact: Immediately flush with plenty of water for at least 15 minutes and seek medical attention.

Inhalation: If inhaled, remove the victim to fresh air. If breathing stops, give artificial respiration. Get medical aid.

Ingestion: Drink sufficient hot water and induce vomiting. Get medical aid.

Section 5 - Fire Fighting Measures

Improper extinguishing medium: No known information.

Danger characteristic: No known information.

Hazardous combustion products: No known information.

Fire-Fighting method: Extinguish the fire with water mist, alcohol resistant foam, dry powder or carbon dioxide. When it is safe, move the container away from the fire site, avoid inhaling the substance and its combustion by-products, stay upwind and away from low-lying areas.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.

Section 6 –Accidental Release Measures

Personnel protection measures, protective equipment and emergency disposal procedures: Wear protective masks, rubber gloves and anti-static work clothes. Avoid dust diffusion in the air. Avoid inhalation.

Environmental precautions: Avoid discharging products into sewers, rivers and mountains.

Leakage: Clean up the residue with appropriate tools, and put it into a suitable container for disposal Management.

Section 7 - Handling and Storage

Handling: Supply with sufficient partial air exhaust. The operating staff must have received special training and abide by the operating regulations. It is advised that the staff wear self-contained breathing dust respirator, protective gloves, and working clothes. Keep away from fire and heating sources. No smoking in the workplace. Prevent contacting with oxidizer and acid. Equip with relevant types and quantities of the extinguishment instruments and devices for divulgence handling.

Storage: Store in a cool, dry, well ventilated place to keep containers firmly closed. Keep away from high temperature, open fire.

Section 8 - Exposure Controls and Personal Protection

Appropriate technical controls: Provide exhaust ventilation. Make sure eye wash and a safe shower are closest to the workstation.

Respiratory Protection: Wear respiratory protective mask.

Eyes Protection: Use protective glasses.

Body Protection: Use protective clothing and safety shoes.

Hands Protection: Wear protective gloves.

Hygiene measures: Take off contaminated clothes as soon as possible after work, and then wear or discard them after washing. And the laundry personnel must be informed of the hazards of pollution. Do not breathe or eat in the workplace. After handling this, thoroughly clean your hands. Keep the workplace clean.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. Section 9 - Physical and Chemical Properties

Appearance: Solid.

Color: White.

Smell: Slight.

Section 10 - Stability and Reactivity

Stability: Stable under normal temperature and pressure.

Distribution of Ban: No known information.

Conditions to Avoid: No known information.

Hazardous Decomposition Products: No known information.

Section 11 - Toxicological Information

Acute Toxicity: No known significant effects or critical hazards.

Sub-acute and Chronic Toxicity: No known significant effects or critical hazards.

Sensitization: No known significant effects or critical hazards.

Mutagenicity: No known significant effects or critical hazards.

Carcinogenicity: No known significant effects or critical hazards.

Section 12 - Ecological Information

Eco-toxicity: No known significant effects or critical hazards.

Biodegradable: No known significant effects or critical hazards.

Non-biodegradable: No known significant effects or critical hazards.

Bioconcentration or biological accumulation: No known significant effects or critical hazards.

Other harmful effects: No known significant effects or critical hazards.

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. Section 13 - Disposal Considerations

Waste disposal methods: Dispose in accordance with national and local regulations.

Section 14 - Transport Information

Category of dangerous goods: No data.

UN Number: No data.

Packaging Mark: No data.

Packaging Method: No data.

Type of Transportation: No data.

Transport Attentions: Please select appropriate transportation mode and corresponding transportation and storage conditions according to the nature of the chemicals, and keep away from fire and heat sources. The means of transport shall be equipped with fire-proof materials and fire-extinguishing equipment of corresponding types and quantities, and shall not be transported with strong alkali or strong oxidant.

Section 15 - Regulatory Information

Regulatory information: contents and project sequence of ISO 11014-2009 chemical safety data sheet.

Regulation (EC) no 1272/2008 on the classification, labelling and packaging of substances and mixtures.

Dangerous Goods Regulations

Recommendations on the Transport of Dangerous Goods-Model Regulations

Recommendations on the Transport of Dangerous Goods-Manual of Tests and Criteria

International Air Transport Association(IATA)

International Maritime Dangerous Goods(IMDG)

Technical Instructions for the Safe Transport of Dangerous Goods

Section 16 - Additional Information

On the basis of based on the data of the above information is correct, because this information could be used in situations where we have no control over, or has been changed, and we disclaim all responsibility for this. This information is configured at the recipient's discretion for the exclusive purpose of the material.

End of Report

This Test Report is issued by the company subject to its General Conditions of Service printed overleaf. Attention is drawn to the limitations of liability, indemnification and jurisdictional issues defined therein. The results shown in this test report refer only to the sample(s) tested unless otherwise stated. This Test Report cannot be reproduced, except in full, without prior written permission of the company.
